

2/53A Northcote Avenue Swansea Heads NSW

2 1 1

This single level brick and tile duplex is immaculately presented. A well thought out floor-plan adds to the options this home offers. Two good sized bedrooms, both with built-ins, the master with a beautiful big bay window, and the second bedroom with the tranquillity of a gorgeous view over the reserve at the rear as well as a study or possible 3rd room. Main bathroom with separate toilet, internal access single garage as well as ample parking area. Big open plan living area, private fenced yard that adjoins reserve.

The duplex is positioned at the back of a battle-axe, block, leaving a long driveway between you and the traffic on Northcote Avenue. Once inside, all you can hear are the birds chirping on the reserve, located right outside your back gate.
